

## The „Coraline” story

It was a long time ago,  
Longer now, than it seems  
In a place, that perhaps you've seen in your dreams.

The teller of the story is me, the Cat,  
Who saw what happened,  
 It was really sad.

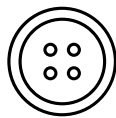

Coraline was a girl, with blue hair,  
She lived in the Pink Palace,  
And found a door under the stairs.

There was another world behind the door,  
Coraline had another mother,  
She was like a moth. 

Her name was The Other Mother,  
She was very crazy  
She kept Coraline in the mirror, just to make her stay.

There were 3 ghosts,  
They were children,  
They died, when they played with The Other Mother. 

They had buttons instead of eyes,   
Coraline had an idea,  
That made The Other Mother stop.

She found the children's eyes,  
She fought with the devil,  
She saved her real parents from The Other Mother.

Her parents didn't believe her,  
She was very angry,  
After, she accepted it, because they were happy.

This is the whole story,   
Now I'm gonna go back,  
You heard it from the storyteller, from me, the Cat.
